Department of Health & Human Svcs.	The mission of the U.S. Department of Health and Human Services (HHS) is to enhance the health and well-being of Americans by providing for effective health and human services and by fostering sound, sustained advances in the sciences underlying medicine, public health, and social services.	http://www.hhs.gov
Department of Transportation	to serve the United States by ensuring a fast, safe, efficient, accessible and convenient transportation system that meets our vital national interests and enhances the quality of life of the American people, today and into the future.	https://www.transportation.gov
Department of Commerce	The Department of Commerce promotes job creation, economic growth, sustainable development, and improved living standards for all Americans by working in partnership with businesses, universities, communities, and workers.	https://www.commerce.gov
Department of State	The Department's mission is to shape and sustain a peaceful, prosperous, just, and democratic world and foster conditions for stability and progress for the benefit of the American people and people everywhere.	http://www.state.gov
Environmental Protection Agency	EPA's basic mission is to protect human health and the environment -- air, water, and land. EPA, state, local and tribal agencies work together to ensure compliance with environmental laws passed by Congress, state legislatures and tribal governments.	https://www3.epa.gov
Department of Labor	DOL seeks to foster, promote, and develop the welfare of the wage earners, job seekers, and retirees of the United States; improve working conditions; advance opportunities for profitable employment; and assure work-related benefits and rights. Composed of 28 diverse, federated offices and agencies, the Department has approximately 17,000 employees operating in offices all across the country.	https://www.dol.gov
Department of Energy	The mission of the Energy Department is to ensure America's security and prosperity by addressing its energy, environmental and nuclear challenges through transformative science and technology solutions.	http://energy.gov

Department of Housing & Urban Dev.	HUD's mission is to create strong, sustainable, inclusive communities and quality affordable homes for all. HUD is working to strengthen the housing market to bolster the economy and protect consumers; meet the need for quality affordable rental homes; utilize housing as a platform for improving quality of life; build inclusive and sustainable communities free from discrimination, and transform the way HUD does business.	http://portal.hud.gov/hudportal/HUD
Department of Education	ED's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.	http://www.ed.gov
