## ***Environmental Psychology: 50 years later***

"How does our physical environment shape our behavior--our buildings, climate, noise, cities, crowding, sustainable living?" Since its founding in 1968 in NYC, Environmental Psychology (EP) has flourished globally, including a new APA specialty, "Division 34." This forum brings together several experts to review the past and current status of EP.

**3 October 2017, Tuesday 7:30 pm**  
**Fordham University, 113 West 60<sup>th</sup> St, room 1002**

Chair: **Harold Takooshian, PhD**, *Fordham Urban Studies & Psychology*
