

Announcing a global webinar**
on

The UN International Day of Happiness

with H.E. Ambassador
T. Hamid Al-Bayati, PhD

“How can the United Nations promote world happiness?”
Dr. T. Hamid Al-Bayati was the Representative of Iraq to the U.N. (2006-2013), where he helped to co-found the first, data-based International Day of Happiness (IDH) on 3/20/2013. Here, with a short video, this panel of experts describe and commemorate IDH 2021—its origins, aims, and history.
